New Beds Open & Occupiable as of June 30, 2024: 7,429
New Beds Open & Occupiable and In Process: 7,707
Other Beds in Existing Agreements Open & Occupiable (2): 792

- (1) The type of homeless intervention. Tiny Home Villages (or Pallet shelters) are listed as interim housing interventions.
- (2) Interventions in existing agreements with the County of Los Angeles prior to June 16, 2020. Per the agreement, only 700 beds from existing agreements may be counted toward the Homelessness Roadmap.
- (3) Total beds opened as of June 30, 2024.
- (4) LAHSA provides the data for the number of PEH in the target population served. The target population for this effort includes:
 - a. People experiencing homelessness and living in the City within 500 feet of freeway overpasses, underpasses and ramps;
 - b. People experiencing homelessness within the City who are 65 years of age or older; and
 - c. Other vulnerable people experiencing homelessness within the City of Los Angeles.
- (5) The geographic location of encampments for "PEH within 500 ft" may be adjusted by LAHSA between quarterly report, resulting in data variations.
- (6) The criteria for "PEH Other Vulnerable" are persons with preexisting medical conditions and vulnerable to COVID-19.
- (7) Rapid Rehousing / Shared Housing Placements are reported by number of households, not individuals.
- (8) The bed count only includes permanent supportive housing units; not affordable units or the manager's units in the building.
- (9) Project Homekey sites list the total number of units that will be occupiable, but some units may be offline for rehabilitation and ADA compliance.
- (10) The beds at 515 N. Beacon St. are reported in both new and other beds per the funding sources. No beds are duplicated.
- (11) Interventions are part of the City's Project Homekey Program, but they are commercial buildings and not hotels/motels. Alternative models for interim housing are being funded until the sites are ready for PSH development.
- (12) This site serves family units of one head of household and a child. This number reflects the contracted amount of units times 2 bed per household.
- (13) This site services family units of two heads of household and a child. This number reflects the contracted amount of units times 3 beds per household.
- (14) PEH that fall under multiple populations are counted within each subgroup, however, this total has been deduplicated to ensure that participants are not counted more than once.
- (15) Bed count increased due to additional beds funded.

* Beds approved for inclusion in the Roadmap. Includes all homeless intervention types in development: interim beds/units, safe parking, safe sleeping, and permanent supportive housing units.

REPORT FROM

OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: May 31, 2024
To: The City Council
From: Matthew W. Szabo, City Administrative Officer 
Reference: COVID-19 Homelessness Roadmap
Subject: **TWENTY FOURTH REPORT: COVID-19 HOMELESSNESS ROADMAP FUNDING RECOMMENDATIONS**

CAO File No. 0220-05151-0558
Council File No. 20-0841
Council District: 1, 4, 5, 6, 9, 10, 12, 13, and 14

SUMMARY

On September 9, 2020, the City Council approved funding for the initial projects under the COVID-19 Homelessness Roadmap (Roadmap) and directed this office to submit future funding recommendations through reports. This is the twenty-fourth such report.

First, this report provides an exempt determination from the California Environmental Quality Act for the continued use of an A Bridge Home site located in Council District 4. Additionally, this report recommends authorizing the General Services Department to execute a new or amend an existing interdepartmental agreement with the Department of Recreation and Parks and a lease agreement with People Assisting the Homeless for the continued use of an A Bridge Home site located in Council District 4.

Second, this report programs funds for the continued cost of leasing for various existing interim housing sites. Also included in this report are recommendations to program funds for operation shortfalls at interim housing sites.

Lastly, this report recommends funding to continue operations at existing interim housing interventions through June 30, 2025.

RECOMMENDATION

That the City Council, subject to approval by the Mayor:

1. DETERMINE that the leases, funding allocation, and continued use of the bridge housing/navigation center at 3248 Riverside Drive and the interim housing/navigation center at 1479 South La Cienega Boulevard, for those experiencing homelessness, are statutorily exempt from the California Environmental Quality Act (CEQA) under Public Resources Code (PRC) Section 21080.27 and Government Code Section 65660(b), applicable to City of Los

Angeles (City) low barrier navigation centers, Government Code Section 8698.4(a)(4), governing homeless shelter projects under a shelter crisis declaration, and PRC Section 21080(b)(4) and State CEQA Guidelines, 14 California Code of Regulations (CCR) Section 15269(c) as specific actions necessary to prevent or mitigate an emergency. This determination is consistent with, and supported by, the City Council's prior actions for the development and use of the properties as temporary shelters/navigation centers; and CEQA determinations made on December 10, 2019, August 1, 2023 and March 17, 2020, respectively (C.F. Nos. 19-0126, 20-0841-S35 and 19-1350, respectively).

2. AUTHORIZE the General Services Department (GSD) to execute a new or amend an existing interdepartmental agreement with the Department of Recreation and Parks and a lease agreement with the People Assisting the Homeless (PATH) for the A Bridge Home site located at 3248 Riverside Drive with 100 beds in Council District 4 for one year;

BACKGROUND

As part of the LA Alliance case, on June 16, 2020, the City reached an agreement with the County to create 6,700 new homeless housing units within 18 months to address the COVID-19 emergency. This agreement is referred to as the Homelessness Roadmap.

The Roadmap set the following targets:

- 700 beds in existing agreements with the County within 10 months
- 5,300 new beds within 10 months
- 700 new beds within 18 months

The City is required to open and maintain 6,000 new beds, not covered by existing City-County agreements. The County will provide up to \$60 million in annual service funding, totaling up to \$300 million over the five-year agreement term, based on the number of interventions open and occupied within 60 days of July 1st each year. The agreement will terminate on June 30, 2025; therefore, Fiscal Year 2024-25 marks the fifth and final year of the Homelessness Roadmap.

The City has met all obligations under the agreement and will continue to do so. As of March 31, 7,172 new beds are open and occupiable, which includes 1,656 rapid rehousing/shared housing point-in-time placements overseen by the Los Angeles Homeless Services Authority (LAHSA).

DISCUSSION

3248 Riverside Drive in Council District 4

This report recommends the authority for the General Services Department to enter into a new or amend an existing interdepartmental agreement with the Department of Recreation and Parks and a lease agreement with the People Assisting the Homeless for the continued use of the A Bridge Home (ABH) facility located at 3248 Riverside Drive in Council District 4 for an additional year. To provide authority for the site renewal, the Bureau of Engineering (BOE) has conducted a California

Environmental Quality Act analysis, which is transmitted under a separate cover. The Mayor and City Council must approve the recommendations included in this report, which are based on BOE's determination that these uses are categorically exempt from CEQA in order to proceed.

Ongoing/Service Costs of Interim Housing Interventions through June 30, 2025

Roadmap Interventions

The operating/service funding for 37 Roadmap interventions are needed for 2024-25. For 2024-25, the estimated total needed to continue the operations of existing interventions is \$68.8 million. The recommendations in this report continue funding for 37 interventions consisting of 2,997 beds. This report recommends the continuation of previously approved Roadmap interventions. Attachment 2 provides a detailed list of the sites in continuing operations using the County MOU commitment funds.

As part of the Homelessness Roadmap, the County will provide \$60 million in services funding, annually through the term of the agreement. Additionally, this report recommends reprogramming \$9.8 million in unspent County Funding Agreement funds from 2022-23. As such, the reprogramming of funds and the annual \$60 million shall be used to continue operations at previously approved Roadmap interventions for 2024-25.

Other Interim Housing Interventions

This report recommends programming Additional Homeless Services - General City Purposes (AHS-GCP) funding to continue operations for interventions that operate outside of the Roadmap agreement. These include the ABH sites located at 1533 Schrader Boulevard with 72 beds in Council District 13, 711 North Alameda Street (El Puente) with 45 beds in Council District 14, and 1920 West 3rd Street with 41 beds in Council District 1. These sites were operational prior to the start of the Roadmap and LA Alliance Agreements, and thus do not count towards the bed count obligations for the settlement agreements.

Operation Shortfalls

This report recommends funds to support operation shortfalls at four Roadmap interim housing interventions for 2023-24.

First, funding in the amount \$349,000 of HHAP funding is recommended for the site located at 5100 S. Central Avenue in Council District 9, operated by Home at Last (HAL). HAL has requested additional operations funding due to leasing costs and the increased cost per bed of operating a site with 25 beds. A separate report transmitted under a separate cover will recommend increased funding at a rate of \$118 per bed for 2024-25 for a total of \$1,076,750.

Second, funding in the amount of \$180,000 of HHAP funding is recommended for the ABH site located at 1818 S. Manhattan Place (formerly 1819 S. Western Avenue) in Council District 10, operated by 1736 Family Crisis Center. The service provider reports that the request for an increase in funding is due to the rising costs of operating a 15-bed shelter. A bed rate that factors in the increased operations funding is \$93 per bed; therefore, a total of \$509,175 is recommended for operations costs in 2024-25.

Lastly, a total of \$488,442 in County Funding Agreement Funds is recommended for two THVs in Council District 13. \$273,352 of County Funding Agreement Funds is recommended for the THV site located at 2301 W. 3rd Street with 64 beds. Funding in the amount of \$215,090 of County Funding Agreement Funds is recommended for the THV site located at 1455 Alvarado Street with 38 beds. Both THVs are operated by Urban Alchemy (UA) and the sites have reported a higher burn rate relative to the cost of operations. As of May 20, 2024, the 1455 Alvarado Street THV has transitioned operators from UA to Hope the Mission (HTM).

1455 Alvarado Street in Council District 13

Repairs and Maintenance

On May 1, 2024, Council approved the Municipal Facilities Committee report (20-0841-S7) relative to negotiating and executing a lease with Kirby Properties and a sublease agreement with Hope the Mission (HTM) for continuing operations at this Tiny Home Village (THV). The site has transitioned operators from UA to HTM. This report recommends funding in the amount \$9,728 of HHAP-1 funding for maintenance and repairs performed by the General Services Department at the THV in preparation for the hand-off between service providers.

Additional Funding Items

711 N. Alameda Street (El Puente ABH) Trailer Leasing in Council District 14

The El Puente ABH, located at 711 N. Alameda Street in Council District 14, has provided 45 beds to the Homelessness Roadmap. The site became open and operational on September 1, 2021, and is operated by The People Concern. This report recommends \$105,000 of HHAP-1 funds to continue supporting leasing costs for the non-City owned onsite trailers.

1904 Bailey Avenue in Council District 14

This report recommends \$158,982 in GCP-AHS funding for leasing costs of the interim housing site located at 1904 Bailey Avenue with 72 beds in Council District 14. This amount is a portion of the total leasing cost at this site for additional rent relative to construction improvements completed by the site owner and has been amortized over the duration of the lease. Funding for the remaining total base rent shall be included as a recommendation in a separate report, which will be transmitted under a separate council file that is to be determined.

Northeast New Beginnings in Council District 1

The interim housing site located at 499 San Fernando Road, also known as Northeast New Beginnings, has provided 95 beds to the Homelessness Roadmap. The site became open and operational on January 23, 2024, and is operated by John Wesley Health Centers. This report recommends \$40,000 of HHAP-1 funds to support the Bureau of Engineering's phase I environmental studies for additional parking and mobile medical services at an adjacent lot.

La Cienega Motel in Council District 5 Amendment

On April 17, 2024, the City Council and Mayor approved the 23rd COVID-19 Homelessness Roadmap Funding Report (C.F. 20-0841-S46), which allocated funding for leasing and operations costs for an interim housing intervention, not to exceed six months, at the La Cienega Motel located at 1725 S. La Cienega Boulevard in Council District 5, through December 31, 2024. After initiating discussions with the owner, the projected open date has been delayed with an expected operational date now in September 2024. As such, recommendations 16 and 17 require an amendment to reduce the cost and extend the expenditure authority for operations and leasing through June 30, 2025.

Project HomeKey (PHK) 1.0 Contract Extensions

This report requests contract extensions for two PHK 1.0 LAHSA rehabilitation contracts with the owner/operators of the Woodman/Arleta site, NHF, and the Travelodge Devonshire, VOALA, through October 31, 2024. The extension is needed to allow for the completion of all the rehabilitation work on both sites and the invoice closeout. The Woodman/Arleta will provide 148 beds for homeless seniors and is expected to open for occupancy on June 26, 2024. The Travelodge Devonshire has been open for occupancy since April 2021, but has been completing its final life/safety rehabilitation, which impacted the occupancy of the last 23 rooms. The site is set to complete its rehabilitation by September 30, 2024.

Public Works Bureau of Engineering

On June 12, 2023, the Council and Mayor approved the 17th Covid-19 Homelessness Roadmap Funding Report (C.F. 20-0841-S34). The report included funding for the Bureau of Engineering (BOE) to reimburse staffing costs on the City's homelessness interventions construction. This Report amends the original funding recommendation breakdown to better reflect the actual expenditures for salaries and related costs. The recommended amendment does not impact the total cost previously allocated for reimbursement.

FISCAL IMPACT STATEMENT

There is no additional General Fund impact as a result of the recommendations in this report. The recommendations in this report utilize the City's General Fund that was previously budgeted and

approved for homelessness interventions. Additionally, the recommendations in this report also utilizes the Homeless Housing, Assistance, and Prevention and County Roadmap funds for homelessness interventions.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

EXHIBIT D

STATUTORY EXEMPTION and HOUSING AND HOMELESSNESS COMMITTEE REPORT relative to lease extension and funding allocation for continued use of the "A Bridge Home" (ABH) bridge housing/navigation site located at 3248 Riverside Drive in Council District 4; and the 24th report regarding COVID-19 Homelessness Roadmap funding recommendations; and related matters.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. AMEND AND APPROVE Recommendation No. 1 contained in the City Administrative Officer (CAO) report dated May 31, 2024, attached to Council file No. 20-0841-S49, respectively, as follows:

DETERMINE that the lease, funding allocation and continued use of the ABH bridge housing/navigation center located at 3248 Riverside Drive in Council District 4 for those experiencing homelessness, are statutorily exempt from the California Environmental Quality Act (CEQA) under Public Resources Code (PRC) Section 21080.27 and Government Code Section 65660(b), applicable to City of Los Angeles (City) low barrier navigation centers, Government Code Section 8698.4(a)(4), governing homeless shelter projects under a shelter crisis declaration, and PRC Section 21080(b)(4) and State CEQA Guidelines, 14 California Code of Regulations (CCR) Section 15269(c) as specific actions necessary to prevent or mitigate an emergency. This determination is consistent with, and supported by, the City Council's prior actions for the development and use of the properties as temporary shelters/navigation centers; and CEQA determinations made on December 10, 2019, August 1, 2023, respectively (Council file Nos. 19-0126 and 20-0841-S35).

2. RESCIND Recommendation Nos. 14 through 16 and No. 22.b contained in the CAO report dated May 31, 2024, attached to the Council file.
3. APPROVE Recommendation Nos. 2 through 13, Nos. 17 and 18, No. 20 and Nos. 22.a and 23 contained in the CAO report dated May 31, 2024, attached to the Council file.
4. AMEND and APPROVE Recommendation Nos. 19 and 21 contained in the CAO report dated May 31, 2024, attached to the Council file, respectively, as follows:

19. INSTRUCT the City Clerk to place on the agenda of the first regular Council meeting on July 1, 2024, or shortly thereafter, the following instructions:

SUMMARY

At the meeting held on June 5, 2024, your Housing and Homelessness Committee considered CAO and Bureau of Engineering reports relative to lease extension and funding allocation for continued use of the (ABH) bridge housing/navigation site located at 3248 Riverside Drive in Council District 4; and the 24th report regarding COVID-19 Homelessness Roadmap funding recommendations; and related matters.

After an opportunity for public comment was held, the Committee recommended to move forward the recommendations contained in the CAO report, as detailed above, as amended. This matter is now submitted to the Council for consideration.

Respectfully Submitted,

HOUSING AND HOMELESSNESS COMMITTEE
