UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA

,  
Plaintiff(s),  
v.  
,  
Defendant(s).

Case No.  
**ORDER SETTING SCHEDULING  
CONFERENCE IN CIVIL CASE**  
[REVISED MARCH 15, 2024]  
**Date:**  
**Time: 10:00 a.m.**  
**Courtroom: 7B**

**READ THIS ORDER CAREFULLY. IT CONTROLS THIS CASE  
AND DIFFERS IN SOME RESPECTS FROM THE LOCAL RULES.**

This case has been assigned to Judge André Birotte Jr. and is set for a Scheduling Conference on the above date in Courtroom 7B of the First Street Courthouse, 350 West First Street, Los Angeles, CA 90012. If plaintiff has not already served the operative complaint on *all* defendants, plaintiff *promptly* must do so and must file proofs of service within three days thereafter. Defendants also must timely serve and file their responsive pleadings, and within three days thereafter, file proofs of service. At the scheduling conference, the Court will set a date by which motions to amend the pleadings or add parties must be heard.

The Scheduling Conference will be held pursuant to Fed. R. Civ. P. 16(b). The parties are reminded of their obligations under Fed. R. Civ. P. 26(a)(1) to make

1 initial disclosures without awaiting a discovery request, and under Fed. R. Civ. P.  
2 26(f) to confer on a discovery plan by 21 days before the Scheduling Conference.  
3 The Court encourages counsel to agree to begin to conduct discovery actively  
4 *before* the Scheduling Conference.

5 **I. Joint Rule 26(f) Report**

6 The Joint Rule 26(f) Report **must be filed by 14 days** before the Scheduling  
7 Conference.

8 The Report must be prepared and signed by all parties. Unless the parties  
9 agree otherwise, the plaintiff bears the primary responsibility of drafting the Report  
10 and filing it on all parties' behalf. A "Joint" Report means a single report,  
11 regardless of how many separately represented parties there are. The Joint Rule  
12 26(f) Report must specify the date of the Scheduling Conference on the caption  
13 page. It must report on all matters described below, as specified by Fed. R. Civ. P.  
14 26(f) and Local Rule 26:

- 15 A. Statement of the Case: A short synopsis (not to exceed two pages) of the  
16 main claims, counterclaims, and affirmative defenses.
- 17 B. Subject Matter Jurisdiction: A statement of the specific basis of federal  
18 jurisdiction, including supplemental jurisdiction. If there is a federal  
19 question, cite the federal law under which the claim arises.
- 20 C. Legal Issues: A brief description of the key legal issues, including any  
21 unusual substantive, procedural or evidentiary issues.
- 22 D. Parties, Evidence, etc.: A list of parties, percipient witnesses, and key  
23 documents on the main issues in the case. For conflict purposes,  
24 corporate parties must identify all subsidiaries, parents, and affiliates.
- 25 E. Damages: The *realistic* range of provable damages.
- 26 F. Insurance: Whether there is insurance coverage, the extent of coverage,  
27 and whether there is a reservation of rights.
- 28 G. Motions: A statement of the likelihood of motions seeking to add other

1 parties or claims, file amended pleadings, transfer venue, etc.

2 H. Dispositive Motions: A description of the issues or claims that any party  
3 believes may be determined by motion for summary judgment.

4 I. Manual for Complex Litigation: Whether all or some of the procedures  
5 of the Manual for Complex Litigation should be utilized.

6 J. Status of Discovery: A discussion of the present state of discovery,  
7 including a summary of completed discovery.

8 K. Discovery Plan: A detailed discovery plan, as contemplated by Fed. R.  
9 Civ. P. 26(f). State what, if any, changes in the disclosures under Fed. R.  
10 Civ. P. 26(a) should be made, the subjects on which discovery may be  
11 needed, whether discovery should be conducted in phases or otherwise  
12 be limited, whether applicable limitations should be changed or other  
13 limitations imposed, and whether the Court should enter other orders. A  
14 statement that discovery will be conducted as to all claims and defenses,  
15 or other vague description, is not acceptable.

16 L. Discovery Cut-off: A proposed discovery cut-off date. This means the  
17 final day for **completion of discovery**, including resolution of all  
18 discovery motion.

19 M. Expert Discovery: Proposed dates for initial and rebuttal expert witness  
20 disclosures, and an expert discovery cut-off date under Fed. R. Civ. P.  
21 26(a)(2).

22 N. Settlement Efforts to Date and Alternative Dispute Resolution (“ADR”):  
23 The parties **MUST** include a statement of what settlement discussions  
24 have occurred to date (excluding any statement of the terms discussed).  
25 The parties must also indicate their preferred ADR Procedure. If a Notice  
26 to Parties of Court-Directed ADR Program (Form ADR-08) was filed in  
27 this case, the Court will refer it to the magistrate judge, the Court  
28 Mediation Panel, or to private mediation (at the parties’ expense). The

1 parties must indicate their ADR preference. No case will proceed to trial  
2 unless all parties, including an officer with full settlement authority for  
3 corporate parties, have appeared personally at an ADR proceeding.

- 4 O. Trial Estimate: A realistic estimate, in days, of the court time required  
5 for trial and whether trial will be by jury or by court. Each side should  
6 specify the number of witnesses it contemplates calling. If the time  
7 estimate for trial given in the Joint Rule 26(f) Report exceeds four court  
8 days, counsel must be prepared to discuss in detail the basis for the  
9 estimate.
- 10 P. Trial Counsel: The name(s) of the attorney(s) who will try the case.
- 11 Q. Independent Expert of Master: Whether this is a case in which the Court  
12 should consider appointing a master pursuant to Fed. R. Civ. P. 53 or an  
13 independent scientific expert. (The appointment of a master may be  
14 especially appropriate if there are likely to be substantial discovery  
15 disputes, numerous claims to be construed in connection with a summary  
16 judgment motion, a lengthy *Daubert* hearing, a difficult computation of  
17 damages, etc.).
- 18 R. Schedule Worksheet: A Schedule of Pretrial and Trial Dates Worksheet  
19 (“Worksheet”) is attached to this Order and is available for your use as  
20 a Word file on Judge Birotte’s webpage. Complete this Worksheet and  
21 include it with your Joint Rule 26(f) Report. The parties **MUST** file a  
22 completed Worksheet with their Joint Rule 26(f) Report. The Court  
23 **ORDERS** the parties to make every effort to agree on dates. The entries  
24 in the “Suggest. Weeks Before FPTC” column reflect a default schedule  
25 that the Court believes is appropriate for most cases and will allow the  
26 Court to rule on potentially-dispositive motions sufficiently in advance  
27 of the Final Pretrial Conference. However, if counsel believes a case  
28 warrants either an abbreviated or an extended schedule, they may so

1 propose. Each date should be stated as month, day, and year, e.g.,  
2 10/03/2025. Hearings must be on Fridays at 10:00 a.m. Other deadlines  
3 (those not involving the Court) can be any day of the week. Trials are set  
4 for Mondays. Counsel must avoid holidays. The Court may order  
5 different dates from those counsel proposed. The discovery cut-off date  
6 is the last day by which all depositions must be completed, responses to  
7 previously-served written discovery must be provided, and motions  
8 concerning discovery disputes must be *heard*. The “last date” for  
9 motions is the last date on which motions may be *heard*, not filed. If the  
10 parties wish the Court to set dates in addition to those on the Worksheet,  
11 they may so request by a separate Stipulation and Proposed Order. This  
12 is often appropriate for class actions, patent cases, and cases for benefits  
13 under Employee Retirement Income Security Act of 1974 (“ERISA”).

- 14 S. Other issues: A statement of any other issues affecting the status or  
15 management of the case (e.g., unusually complicated technical or  
16 technological issues, disputes over protective orders, extraordinarily  
17 voluminous document production, non-English speaking witnesses,  
18 ADA-related issues, discovery in foreign jurisdiction, etc.) and any  
19 proposals concerning severance, bifurcation, or other ordering of proof.

20 The Joint Rule 26(f) Report should set forth the above-described information  
21 under section headings corresponding to those in this Order.

## 22 **II. Scheduling Conference**

- 23 A. Continuances: A request to continue the Scheduling Conference will be  
24 granted only for good cause.
- 25 B. Vacating the Scheduling Conference: The Court often vacates the  
26 Scheduling Conference and issues the Scheduling Order based solely on  
27 the Joint Rule 26(f) Report.
- 28 C. Participation: If there is a hearing, lead trial counsel must attend.

1 **III. Notice to be Provided by Counsel**

2 Plaintiff's counsel or, if plaintiff is appearing pro se, defendant's counsel,  
3 must provide this Order to any parties who first appear after the date of this Order  
4 and to parties who are known to exist but have not yet entered appearances.

5 **IV. Disclosures to Clients**

6 Counsel are ordered to deliver to their clients a copy of this Order and of the  
7 Court's Order Re: Jury/Court Trial, which will contain the schedule that the Court  
8 sets at the Scheduling Conference.

9 **V. Court's Website**

10 This and all other generally applicable orders of this Court are available on the  
11 Central District of California website, [www.cacd.uscourts.gov](http://www.cacd.uscourts.gov), and on Judge  
12 Birotte's webpage, <http://www.cacd.uscourts.gov/honorable-andré-birotte-jr>

13 The Local Rules are also available on the Court's website.

14 **Parties appearing pro se must comply with Federal Rules of Civil**

15 **Procedure and the Local Rules. See Local Rules 1-3, 83-2.2.3**

16

17 The Court thanks the parties and their counsel for their anticipated  
18 cooperation.

19 **IT IS SO ORDERED.**
