Nota Bene: Edit Before Using!

We are distributing this manual in Word format to make it easier for you to customize the content to follow your local rules and CJA rules. Consider the following questions when customizing your information:

- Do you wish to include CJA administrator contact information for attorneys or include a website link?
- Are you using the CM/ECF link in eVoucher?
- Are attorneys allowed to edit their own profiles and billing information, or enter holding periods?
- Do attorneys still file any CJA-related documents in CM/ECF?
- What is your policy about interim payments?
- How does your site handle the CJA-24 Auth and the CJA-24 voucher? Are court reporters involved as experts? Does the attorney create the CJA-24?
- Do the panel attorneys use the Continuing Legal Education (CLE) tracking feature in eVoucher?
- Do the attorneys complete the travel authorization provided in eVoucher?
- Do you use the email proposed appointments available in eVoucher? How are attorneys notified of appointments?
- Can you provide more specific information about the kinds of documents you wish the attorney to attach for each document type?

Introduction

The CJA eVoucher system is a web-based solution for submission, monitoring, and management of all Criminal Justice Act (CJA) functions. The eVoucher program allows for:

- Online authorization requests by attorneys for service providers.
- Online voucher completion by the service provider or by the attorney acting for the service provider.
- Online voucher review and submission by the attorney.
- Online submission to the court.

Unless the court has indicated otherwise, attorneys are generally required to create and submit vouchers for their service providers and associates. The program includes the following modules:

Panel Management

- Allows attorneys to manage their own account information including address, phone, firm associations, and applicable CLE credits
- Allows for submission of holding periods or a specific amount of time taken off for medical leave, vacation, etc.

Voucher and Authorization Request Submission

- Authorization requests by attorneys for expert services
- Requests by attorneys for interim payment
- Supporting document uploads to vouchers or authorization requests
- Reports for attorneys to take an active part in monitoring costs
- Automatic email notification to attorney of approval or rejection of vouchers and authorization requests

Browser Compatibility

- Windows: Chrome 62, Edge 16, Firefox 57
- Apple Macintosh: Safari 10.1

Court Appointment

When you make an appointment, the program automatically generates an email message to the appointed attorney. The email confirms the appointment and provides a link to the CJA eVoucher program.

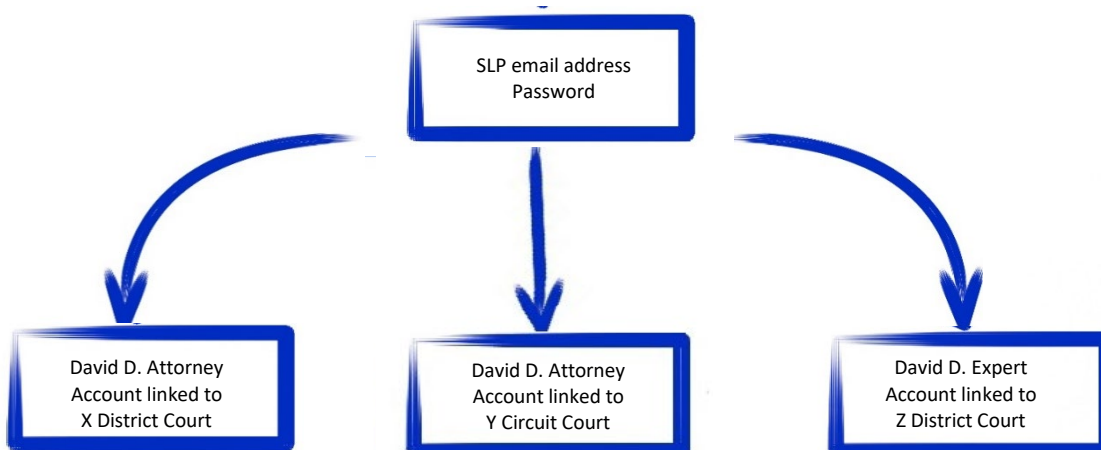

Some courts may send a proposed email to the attorney, awaiting acceptance of a specific case.

Accessing the CJA eVoucher Program

Prior to version 6.4, if you had eVoucher accounts in multiple courts, you were required to sign out and sign in to each individual court account in which you wanted to work. You had a separate username and password assigned by each individual court. Starting with version 6.4, you can now create a Single Login Profile (SLP) with a single email address and password that can be linked to each eVoucher account you have. You can now switch from one eVoucher account to another from within the eVoucher application without the need to log off.

Note: Users with more than one eVoucher account must designate one account as the default account; the court used to create your Single Login Profile (SLP) automatically becomes your default court unless you change it.

Single Login Profile (SLP) vs. Court Profile

Importing Service Entries

Attorneys using commercially available timekeeping and billing systems can directly import multiple service entries into a CJA-20/30 voucher from a file saved in comma-separated value (.csv) format.

As a best practice, the Import Service Entries feature should be started on a new or empty CJA-20 voucher. If you have service lines already entered on a voucher, they will be overwritten with the data imported from the .csv file.

Note: If you have an associate on your voucher and want to use the import service entry function, the lead attorney **MUST** import their entries first or they will overwrite the associate attorney's entries. Please review the **Importing Time** job aid on the eVoucher training website for more detailed instructions for importing service entries with associates.

Step 1

After you select the appropriate appointment and click the **Create** link for the CJA-20 voucher, the document opens. In the **Actions** menu on the left side of the page, click the **Import Service Entries (.csv)** link.

Reports and Case Management

At the start of a case, it may be difficult for counsel or the court to know whether a case has the potential to exceed the statutory maximum allowed for representation.

Therefore, attorneys are encouraged to monitor the status of funds, attorney hours, and expert services by reviewing the reports provided in the CJA eVoucher program. Items to remember:

- Viewable reports appear in the left review panel.
- Each panel, depending on the document you are viewing, can have different reports available.
- Each report can have a short description of the information received when viewing that report.
- The two main reports are the Defendant Detail Budget Report and the Defendant Summary Budget Report.

To find other accessible reports, from the menu bar at the top of the screen, click **Reports**.

Defendant Detailed Budget Report

This report reflects the total amount authorized for this representation, any excess payment allowed, the vouchers submitted against those authorizations, and the remaining balances.

It provides the information in two sections: attorney appointment and authorized expert service.

Import failed.
5 errors were found in *CJA-20 Service Time Import.csv* during import process. No data was updated. [View Report](#). Correct errors and [try again](#).

Attorneys should still review the voucher to ensure that entries are correct prior to submission to the court. For the remaining tabs of the CJA-20 or CJA-30 voucher, please see instructions for those documents.

Appendix B: Creating the Excel File for Import

Once you begin the process of importing your service entries to a CJA-20 or CJA-30 voucher, sample spreadsheets are available to download on the Services page. These sample spreadsheets are in Excel format that must be saved in .csv format.

Basic Info ▸ **Services** ▸ Expenses ▸ Claim Status ▸ Documents ▸ Confirmation

Services

eVoucher now provides the ability to import service time entries exported from a law firm billing system and saved in Comma Separated Values (CSV) format. The CSV file must contain all required column headings and data types. Please download our [sample spreadsheet](#) for the correct column headings and service type values.

IMPORTANT: It is recommended to start with a blank voucher. Otherwise, all existing service entries on the voucher will be overwritten with the contents of the imported CSV file.

For the .csv file to be successfully uploaded into and accepted by eVoucher, it must contain a header row with specific column headers, as seen below. The header row contains four mandatory column headers (Date, Hours, Description, Service Type) and two optional column headers (Doc. #, Pages). The Doc. # and Pages fields may be included in the header row; however, they are not required unless data is provided.

If the header row contains service entry information instead of headers, the data in that row will be ignored and won't be imported into your voucher. Sample spreadsheets containing the correct column headers and service type values for each voucher type are available in the online help.

Appendix C: Converting the Excel File to .csv Format

Most commercially available spreadsheet applications allow you to save in .csv format. For a file saved in Excel format, follow these steps to create your .csv import file.

Step 1

In your Excel file, click the **File** tab.

Step 2

From the navigation menu on the left, click **Save As**.

On the Save As page, click the drop-down arrow and select **CSV (Comma delimited) (*.csv)**.

Your Excel file has now been converted to a .csv file and can be imported into the Services page of your CJA-20 or CJA-30 voucher.
